1. What work has the team done toward the project this week?

We have been downloading the PDFs from the website for the whole week.

2. Is the team having any issues?

The website contains millions of PDFs, which takes a long time to download all of them.

3. What work does the team plan to do next week?

The project manager asks us to stop downloading and compare the current results with the results from Team Campaign Finance, which is what we are gonna do next week.
