12	🟡	Try to find out the differences in terms of salaries between genders, ages, etc	03/13/20	Anzhe Meng, Jiahao	Not Started
13					
14		**Issues/Notes:**			
15		One of our teammates dropped this course before we started. But we are still on the right track since until now we have been ahead of the arrangement of Mr. Paul Singer (our client).			
16		We have a meeting on a weekly basis with our client. We are getting well in touch with Mr. Paul Client.

We employed inner join function to select the cops that appear in both the decertified list and cops' payroll	
I managed to filter out those who didn't work as cops.

Row 6: Name Filtering

azmeng@bu.edu | February 28, 2020 1:09 PM

Whether the result should be used is still be discussed.
